

Financial Management in Government

Accelerate Training and Consulting Pty Ltd

Do you have responsibility for an operating budget in a government agency but feel like you're not in control? Would you like to make better use of your resources to achieve more? Through this course, you can make financial management a reality and turn frustration into results.

Attend **Financial Management in Government**, and take a journey with trainers who have achieved financial success for their agency and understand your needs.

This workshop will provide managers with a series of tools to help you be exceptional financial managers and be in control of your budget. Participants will also better appreciate how to make successful resource requests, in the context of wider organizational needs.

(Suitable for managers and supervisors responsible for an agency budget at strategic or operational level).

This one day seminar is being held bi-monthly in a convenient CBD location.
